## INTRODUCING SUPERCUT QUICKIN

FEIN's new SuperCut Saw, model FSC 2.0Q, now comes with the patented FEIN QuickIN rapid-attachment system for lightning-fast, convenient accessory changes - without wrenches! This saves a lot of time and simplifies the use of different accessories. Its high performance motor features a newly designed extremely durable and robust gearing system and a massive precision-cast fork lever made to withstand even the heaviest loads. The new German-made FEIN SUPERCUT is the only oscillating power tool on the market whose capabilities are fully oriented toward the demands of professional use.
